

Havin' a beer

Music & Lyrics.: W. Schmidder

1.

I'm gonna tell you a story – 'bout the things that I like
'bout BBQ-Partys – and riding my bike
Wine, women and song – and famous Rockstars
'bout playin' the Blues – on my old guitar

Pre Chorus:

For me it's a joy – to cross any boarders
But what I like most – exactly in this order

Chorus:

Havin' a beer – makin' love to my wife
These are the good things in my life

2.

I like doin' the garden – and watchin' the weeds
Sometimes I like thinkin' – 'bout good and bad seeds
Sittin' in a hot tub – drinkin' Cuba Libre
Brandy or Bourbon – or fuckin' french Cidre

Pre Chorus:

Chorus:

SOLO

3.

Sometimes I wanna be angry – sick, dirty and mean
Two and a half men – but only with Sheen
I love my four girls – when they're bitchin' around
Trash-talkin' bullshit – nothin' profound

Pre Chorus:

Chorus:
