

# I don't dance

M. & L. W. Schmitter

1. My little girl, you know it's true  
I don't like the things you do

Dance – I don't dance – baby you have got no chance  
Dance – I don't dance – baby feel my killing glance  
Dance – I don't dance – and if that means, that there's no romance  
Shut the fuck up – 'cause I don't dance

2. Mambo, Tango – Limbotime  
Those silly moves, they make me cry  
Foxtrott baby – Cha cha cha -  
Dancing boobs in Wonderbra

Pre Chorus:

Chorus:

**Solo:**

3. My little girl – you know it's true  
I'll do anything for you  
My little girl – why don't you see  
The only thing, you can't expect from me

Pre Chorus:

Chorus: 2x
