

Bad Boy Blues

M. & L.: W. Schmitter

1.

I lived my life in danger – I lived with diamonds and rust
I lived the life of a stranger – I spend my nights in the dust
All hells breakin' loose – the Bad Boy Blues

2.

When I'm playin' with fire – I fix it with gasoline I am a gun
for hire – I'm a killin' machine
All hells breakin' loose – the Bad Boy Blues

Solo:

3.

I am a ragin' nightmare – always ready to fight
I am the wolf in sheeps clothing – still I'm facin' the night
All hells breakin' loose – the Bad Boy Blues

Bridge:

In the night – I play with fears In the night – I'm burning
tears

Solo:

All hells breakin' loose – the Bad Boy Blues
