

# Bad Boy Blues

Music & Lyrics: Wolfgang Schmidder

**1.**  
I lived my life in danger – I lived with diamonds and rust  
I lived the life of a stranger – I spend my nights in the dust  
All hells breakin' loose – the Bad Boy Blues

**2.**  
When I'm playin' with fire – I fix it with gasoline  
I am a gun for hire – I'm a killin' machine  
All hells breakin' loose – the Bad Boy Blues

**SOLO:**

**3.**  
I am a ragin' nightmare – always ready to fight  
I am the wolf in sheeps clothing – still I'm facin' the night  
All hells breakin' loose – the Bad Boy Blues

**Bridge:**  
In the night – I play with fears  
In the night – I'm burning tears

**SOLO:**

All hells breakin' loose – the Bad Boy Blues
