

# Bitchin' Girl Blues

Music & Lyrics: W. Schmidder

**1.**

I woke up in the morning – my little girl is bitchin' around  
Woke up in the morning, baby – my little girl is bitchin' around  
She gets nothin' to drink – she gets nothin' to eat  
That's what happens – when she oversleeps, yeah

**2.**

I'm comin' home from work – late in the afternoon  
Comin' home from work, baby – late in the afternoon  
Nobody cleaned the house – no schoolwork's done  
I don't want no girl – (I think) I need a son, oh yeah

**3.**

It's late in the evening – my little girl is bitchin' around  
Late in the evening, baby – little girls are bitchin' around  
I'm almost grown-up – that's what she said  
And that's the reason – I don't go to bed, oh no

## SOLO

**4.**

Three o'clock in the morning – my stupid dog is bitchin' around  
Three o'clock in the morning, baby – my stupid dog is bitchin' around  
Get up master – I have to shit like a bear  
Or I'll do it on your carpet – that's what I swear, oh yeah

**5.** (new version, not on CD)

Woke up in the morning – my old Lady is bitchin' around  
Woke up in the morning, baby – my old Lady is bitchin' around  
Between her 2 Million handbags – she couldn't find her shoes  
And that's the reason – why she also got the Blues
