

# Dead Man Walkin'

Music & Lyrics : W.Schmidder

**1.**

Do you see the lonesome rider – at horizons end  
Do you see the lonesome rider – devils shotgun in his hand

**Pre Chorus:**

Oh no – what' cha gonna do  
Oh no – it's only up to you

**Chorus:**

See the dead man, walkin' down the street  
Accompanied by the war-drums beat

**2.**

Do you see the lonesome rider – did you look straight in his eyes  
Do you see the lonesome rider – even death may die

**Pre Chorus:**

Oh no – see the devils hound  
He's diggin' for you, six feet under ground

**Chorus:**

**3.**

Did you see the lonesome rider – no thoughts, no pain, no thrill  
Have you seen the dead-mask rider – without warning, you've been killed

**Pre Chorus:**

Oh no – it's too late for you  
Just stop thinkin', 'bout the things you gotta do

**Chorus:**

See the dead man – oh, he takes your hand  
With a bullet in your head, you lay dead in deserts sand

**SOLO**

**Repeat 3<sup>rd</sup>**
