

# Ice Cubes Pissin'

Music & Lyrics: W. Schmitter

**1.**

In my world there's no tomorrow – I live my life from day to day  
I don't care for pain and sorrow – I am God, that's what I say

## **Pre Chorus:**

I am the coolest and the cruelest – other people makes me frown  
I am strongest, I've got the longest – I'm the king without a crown

**2.**

All you wimps and all you suckers – pussy-boys and girlie-men  
Here I come, the greatest rocker – of all time, until the end

## **Pre Chorus:**

I am the coolest and the cruelest – other people makes me frown  
I am strongest, I've got the longest – I'm the king without a crown

## **Chorus:**

I don't mind that thing that's missin' – the missing link of mine  
The only thing I do it's ice-cube-pissin' – it's ice-cube-pissin'-time

## **SOLO**

**3.**

When I look into the mirror – I'm so impressed, it makes me cry  
All the girls adore and love me – I'm the sexiest man alive

## **Pre Chorus:**

I am the coolest and the cruelest – other people makes me frown  
I am strongest, I've got the longest – I'm the king without a crown

## **Chorus:**

I don't mind that thing that's missin' – the missing link of mine  
The only thing I do it's ice-cube-pissin' – it's ice-cube-pissin'-time
