

My Ugly Neighborhood

M. & L.: W. Schmidder

1.

My neighbor was a teacher – she told me what to do
I said, babe why don't you shut your mouth – that's all I asked of you
One day she was coming home – her husband, he was not alone
Oh no
And if I could I surely would, I would be nice to my ugly neighborhood

2.

My neighbor was a redhead – she was hot and rich and mean
she looked at me and she smiled a li'l – from her head down to her feet
Why did you let it go so far – on the backseat smokin' a cigar
Yes indeed
And if I could I surely would, I would be nice to my ugly neighborhood

3.

My neighbor was a preacher – on his knees he prayed
and under his holy cassock – on his balls he played
He got eyes of a barracuda – glory, glory hallelujah
Hallelujah
And if I could I surely would, I would be nice to my ugly neighborhood
And if I could I surely would, I would be nice to my...
dirty, rotten, filthy, stinkin', ugly neighborhood
