

My heart is locked

Music & Lyrics: W. Schmidder

1.

My heart is locked – and I've thrown away the key
My heart is locked – and I've thrown away the key
Baby, baby, leave me be – you're the cause of my disease

2.

My heart is locked – and it turned to stone
My heart is locked – I'm bad to the bone
No sugar-daddy anymore – your love is rotten to the core

SOLO

3.

My heart is locked – and as cold as ice
My heart is locked – a devil in disguise
You're the cause I'm feelin' blue – I just wanna get rid of you

SOLO

4.

My heart is locked – and I've thrown the key away
My heart is locked – and there's nothin' left to say
Baby won't you leave me be – you're the cause of this disease

SOLO

You're the cause I'm feelin' blue – I just wanna make love to you
