

# Non Talkin' Woman- Blues

M. & L.: W. Schmidder

**1.**

Gonna tell you a story – 'bout a woman I loved  
She was my honey – from heaven above  
My one and only – a really true love  
Made love in the woods – made love in a grove

**2.**

As time passes by – she starts cheatin' on me  
I didn't know why – she was pickin' at me  
Talking housewives themes - about a coming burnout  
She's talkin' moronic – and a way to loud

**3.**

I said: “shut your mouth” – but she didn't hear me  
So I went to a bar – had a couple of beers  
A couple of shots – it was too much for me  
When I turned around – my old Lady starin' at me

**4.**

I shot her dead – right though her heart  
And I didn't care – when she's fallin' apart  
I buried her deep – might be six foot and four  
And that's the reason why – she don't talk anymore
