

# Shake Snake Boogie

Music & Lyrics: W. Schmitter

**1.**

Baby let's do it – lookin' out for a thrill  
If you don't like it – guess your sister will  
Let's do the Boogie – do the Shake Snake Boogie  
Let's do the Shake a Snake Boogie – Boogie Woogie all night long

**2.**

Baby let's do it – there's no need to bother  
If you don't like it – gonna ask your mother  
Do the Boogie – do the Shake Snake Boogie  
Let's do the Shake a Snake Boogie – Boogie Woogie all night long

**3.**

Baby let's do it – this night shouldn't end  
And if you don't like it – take your best girlie-friend  
Let's do the Boogie – let's do the Shake Snake Boogie  
Do the Shake a Snake Boogie – Boogie Woogie all night long

## **SOLO**

**4.**

Baby let's do it – I don't like our nanny  
If you don't like it – gonna think about Granny  
Do the Boogie – do the Shake Snake Boogie  
Do the Shake a Snake Boogie – Boogie Woogie all night long
